Second Sprint Backlog –Money Club, Team66

Work to complete or to improve during the second sprint:

1. Improvement on the first sprint
   a. Seamless integration of the existing features
   b. More interactive UI

2. New features
   a. get_group_description (logged in user)
   b. post_articles (logged in user)
   c. comment_articles (logged in user)
   d. start_event (logged in user)
   e. extends normal group member model to group owner, who has the authority to accept new member, remove member, remove posts, etc.
